Motion to Accept by:	Farren Clark	Seconded by:	Craig Severance	Accepted

X. REPORT OF OFFICERS:

RANGE REPORT: Victor Perez CRSO read range report

XI. OLD BUSINESS BEFORE THE BOARD OF DIRECTORS:

- 1) Shoot Report – Dave Henry ended 2697.82 both clubs made. 75% participation total 242 guns. Craig asked if we are going to apply to host it next year. Dave stated there is a discussion that needs to be done between both clubs. New steel would be needed and Craig has already put in a proposal for new steel. Dave would like to find an inexpensive way to split bay 0 as this would help to keep bays 9 & 10 open while the shoot would happen. Need to talk to AZG&F for tolerance. Research needs to be done quickly as the application needs to be put in by January.
- 2) Range Hats – Vicki stated that we do have a prototype of the hats and showed them to the board. Stated 11-12 dollars per hat to produce. We could then sell them for 20 dollars in the range office. Vicki motions for hats to be sold. Farren seconded. All board members agree.

XII. NEW BUSINESS BEFORE THE BOARD OF DIRECTORS:

- 1) Gary Frolic – Spoke on signs for the bays as ours need to be replaced. States that these signs are would be good for letting everyone know about rules. Gave examples of the signs for the board to be talked about. Mike Lilerjoos stated that it needs to start in the office to make sure that the shooters are told the range. Jim stated people don't read signs. Mitch states that the signs need to be as abbreviated as possible. Stan Snow stated there is an exception to the flag in chamber and that is the bolt guns can take the bolt out. Jim McGeachy stated that the signs would be a good in order to stop the litigious people who are going to say that there are no signs. Vicki stated that they have to be approved from AZG&F. Vicki motioned for tabling of the issue and Farren seconded it.
- 2) Craig Severance – Steel targets from Shooter seven are selling a full set for 3849.00 and if veterans order it is an extra 10% off. Stan asked if Mitch Gerlinger can sell it to us for cheaper. Mitch spoke up and stated he probably cannot do it for cheaper. Craig gave a list of what is listed for that price. Linda asked where are they going to be stored. Craig says they can rearrange the 9 bay Connex and be able to get them put up. Mitch has some that he would like to demo to be able to make a possible chance for him to make a bid for it. Fred makes motion to table. Vicki seconded.
- 3) Merchandise prices – Farren states we need to raise the merchandise prices in the range office as we are not making a really good profit off of them. States he has been thinking of a card swipe charge. Proposes a \$2.00 charge for anything less than 10 dollar purchase. Russell asked if that can be incorporated in with

the POS software. Dave states he will look into that. Dave is going to check with Merchant Magic. Vicki makes a motion to table until further information can be found. Fred seconded.

4) Membership Fees/ Volunteer Fees – Jim Merrit states that with everything going up we need to raise the membership fees as we are spending out 10 – 12 thousand a month to run the club. He asks what the amount of the fees are now. Vicki read off the amounts of the memberships. Wants to raise to 100 – 120 a year for membership. Stan Snow raised issue about the membership needing to informed and vote for it. Vicki read by-laws stating the board can change the membership fees without a vote. Jim then stated that there needs to be a fee for not volunteering. Fred stated this is the first club he has ever been a part of that you don't have to pay an assessment. Jim states with the lack of people who wish to volunteer maybe have to pay an extra 50 dollars a year. Mitch stated maybe a special assessment when we have to do big projects like the water line or the roof. Dave brought up about the AZG&F now has the volunteer website to track. Farren makes motion to table. Fred seconded table. David states we need to run a report to check membership. Life time membership gets x amount for volunteers.
