

Minutes of the Mohave Sportsman Club

Meeting of 7/9/26

- I. OPEN THE MEETING AT 6PM
- II. PLEDGE OF ALLEGIANCE
- III. CALL TO ORDER
- IV. OPEN CALL TO MEMBERS

Bobbie McClellan – Clarification on a decision of the board over match directors have to set up the morning of the shoot. Jim explained that it was about some match directors paying and some not. Now the decision was made that all directors are to pay for matches. Bobbie is trying to explain why the volunteers were not being made to pay due to the work they did on the set up. Mitch explained that an idea would be to have the ones paying and not volunteering should sponsor the ones to pay the fees for the volunteers.

Greg Robertson – does quarterly free basic pistol classes. Both his and his wife are instructors of this class. Wanted to verify the new structure of the fees. Also wanted to ask if it would be ok if they did a man's class would there be any problem of with them doing this class. He was told to give his information to Victor at the RSO office.

Jim Merritt – brought up about the minutes and the treasurers report needing to be read at each meeting per the Bylaws. Farren states that it states as long as they are electronically provided they do not have to be read out at the meeting. Larry pushed a copy of the bylaws towards Farren and asked if he wanted to read them. Jim continued on with stating that by the bylaws we are not to be giving out any monies to anyone but the range. (I.E. Fishing for Smiles). Jim would like a break down of the different shoots and what they are bringing in so that way we can have an educated idea of where the money is coming in from. So if the group is coming in for money we can evaluate the worthiness of their valued to ask for things.
